GOVERNMENT OF MYSORE

Department of Industries and Commerce.

Bangalore, 11th Jan 1922

101(18).

My dear Mr Mirza

I am enclosing herewith my revised note on the Industrial policy. As you will see I have entirely condensed and rewritten it.

I understand that in the proposed reconstitution of the Board for the Industries there will be no place in it for the Director of Industries. There are many matters in which my assistance may be useful in working the scheme and if I have on the Board an officer not directly connected in the matters might not be fully cognizant of its advantages. My ability to
